

FRIENDS OF LITTLE MUNDEN

Autumn Update

Annual General Meeting

The FOLM AGM was held at The Boot on 27th September with eight FOLM members in attendance and one honorary member! Last year we ran eight successful events and the meeting thanked all the local businesses, parents and Little Munden community for their support ... THANK YOU! This will be the last year of the current committee. If you are interesting in joining the crew, do let us know!

Last year we contributed to the whole school pantomime trip, Year 6 leavers and the Jubilee pins. We have been asked by school for lots of contributions this year as school budgets are ever squeezed.
