Guided reading- War horse:

In our guided reading sessions we will be working on our fluency, expression and intonation.

We will be completing questions to develop our inference and retrieval skills.

We will be working on our SPaG skills within these sessions.

PSHE- Being me in the world:

We will be developing our Personal, social and emotion literacy through looking at: My year ahead, being a global citizen, our learning charter.

English:

This term we will be working on developing our use of sentence structures and grammatical features.

We are doing an initial week of poetry, where we will be developing our editing and publishing skills. We then will be writing a narrative and then a non-chronological report.

Our class texts are:

Pocket book of pocket poems

Short too!

Planetarium

DT- Marbellous structures

Exploring structures

Marble run bridges

Developing our practical skills

Timed marble run challenges

Making, editing and evaluating our 'Marbellous structures'

Science- space:

We will be exploring: the movement of the Earth and other planets, relative to the sun in the solar system, the movement of the moon relative to the Earth, exploring approximate spherical bodies and using Earth rotation to explain day and night .

Maths:

Place value: Numbers up to 1,000,000, Powers of 10, Partitioning numbers, Compare and order any integers, rounding integers, counting through zero, Comparing and ordering negative numbers

Oak Class Topic Map

September 2026

Marvellous Maps

Spanish- La Ropa:

During this topic we will be developing our Spanish reading, writing and oracy skills. We will cover grammatical forms: nouns, gender, articles/determiners, plurality, adjectival agreement, 1st person verb conjugation) so we can express what clothing we are wearing in full sentences in different scenarios in Spanish.

Computing:

Internet addresses, introduction to the concept of data packets, working together to send information over the internet in different ways, shared working- reusing and modifying work, explore different methods of communication, categorise different forms of internet communication.

Geography- marvellous maps

Using Atlases, map symbols, compass points, grid references, planning a route, charting the changes.
