December 2025

The children have had a wonderful finish to the school year. We visited Beam in Hertford so see the Panto, Christmas jumpers were worn at our Christmas lunch and the children of Acorn and Beech classes gave wonderful performances at their nativities. To round off the year all the children participated in our second annual Rudolph Run in aid of Isabel Hospice. Our very generous families helped raise over £300 for the run and also donations given at the nativities.

Acorn Class took part in a history workshop, where the children learnt about history through Nursery Rhymes. They learnt about how to get water hot for Polly put the Kettle on, without having any electricity. They also learnt about how people used to wash their clothes before washing machines.

In Beech class the children have absolutely loved their History topic of The Great Fire of London. The children all designed their very own Tudor house in Design and Technology and then we acted out the fire

by Mr Brown our wonderful caretaker setting them all on fire on the playground! We then had a Great Fire of London workshop in class and the children were fabulous at sharing everything they've learnt!
