October 2025

We've had a busy start to the new school year and the first half term has flown by. For this academic year we've welcomed new children, their families and some new staff to our school and everyone appears to be settling in really well and adding to our wonderful school community.

Our current year 6 children have been looking at the local secondary schools to make the choice for their continued education. A decision they have to make by the end of October, but they won't find out where they have been allocated until March 2026. A big decision for them and their families making the leap from our little school and we will help and support wherever we can.

We offer personalised visits for anyone interested in joining our school, either in Reception or any of the other years. The application system for Reception places opens on 3rd November 2025 with a deadline of 15th January 2026, another big decision for families. If you would like to view our school and meet the staff, to help you with this, please contact us using the details above.

Class News :

The children in **Acorn class** have been learning about Autumn, we took the children to the local woods to see if they could see or find any signs of Autumn.

In **Beech class** we have been learning about Living things and their Habitats in Science. We went in the woods to look at different micro-habitats such as under logs, under stones, in bark to find different minibeasts! The children enjoyed using their insect collectors to carefully pick up and look at the minibeasts and recorded it on their finding sheet.

A Magical Day!

This month the magical world of Harry Potter came to Little Munden. The whole school were involved in a wonderful day celebrating reading and writing. Children dressed up in some amazing magical costumes including wizards, unicorns, owls and fairies. During the day the children were sorted into the Hogwarts Houses and then took part in some fantastic magical learning. This included potions class where children designed their own potion, care of magical creatures where children created and described their own magical creature, and magical studies where children described their own magical setting.

The children had a fantastic day and produced some super English work.

Christmas Fayre – 29th November 2025

FoLM (Friends of Little Munden) our small, but amazing fundraising committee, will once again be putting on a Christmas Fayre. This year it's on Saturday 29th November, 2-5pm. We hope you will come along and enjoy all the Christmassy activities and support their fundraising efforts.

All monies raised go to support the school and help in purchasing curriculum items and online subscriptions for the childrens' learning, contribute towards trips for the classes linked to their topic of the term and even support the purchase of IT equipment such as smart boards and laptops – a resource that is constantly used and frequently outdated, requiring regular replacement. We are very grateful to everyone who can support our school fundraising, by helping, attending and/or financing events to boost the funds to benefit the children.

Put the date in your diaries and come along for some Christmassy fun.

Thank you.
